

CHANGE IN FILE STATUS  
APPROVAL FORM

DATE May 4, 1988

CURRENT FILE NO. DOE/047/016

RECOMMENDED FILE NO. Closed

COMPANY AND MINE NAME White River Oil Shale Corp. Hell's Hole  
Canyon

REASON FOR CHANGE IN FILE STATUS

In the fall of 1982 WROSC collected a 200 ton bulk sample from <sup>a</sup>tar sands outcrop adjacent to an existing adit. The work was on private land and disturbed approximately 1/2 acre. (confirmed by 5-3-88 inspection.) The old adit is completely covered with rubble and is of little safety concern due to the remote location.
